Wentworth Travel Scholarship – Partners in the Parks 2018

The UF Honors Program will reimburse the program registration fee for UF honors students who are accepted to participate in a Winter / Summer 2018 Partners in the Parks program, provided their participation has been approved by Dr. Melissa Johnson in the Honors Office *prior* to registration.

Please note that all other costs associated with Partners in the Parks, including but not limited to travel, are the responsibility of the student. Additional PITP scholarships may be available through NCHC and the regional / state honors association to help with travel. Contact Dr. Johnson for more information.

Conditions for receiving a scholarship:

☐ Each school is limited to a certain number of spots for each trip, and we maintain a waiting list of students who wish to participate. Even if spots are available through the program, there may not be a spot available for a UF student unless Dr. Johnson has first consulted with the program coordinators. We will not support your registration fees if you have registered without approval.

☐ Students must be current undergraduates who will not graduate before August 2018 in order to receive funding.

☐ Scholarship awardees are required to e-mail a summary of their trip to Dr. Johnson within 2 weeks of return, or they will be asked to repay the scholarship.

☐ Students who cancel registration or do not attend are required to repay their scholarship.

Procedures for Partners in the Parks Registration:

1. Contact Dr. Johnson to verify there is a spot open on your trip. Please do not contact Dr. Johnson unless you are 100% sure you can participate.

2. Once approved for a spot, register and pay for the trip on the Partners in the Parks website, http://partnersintheparks.org

3. Forward your trip and payment confirmation emails to Dr. Johnson, mjohnson@honors.ufl.edu.

4. Drop off a copy of the attached scholarship form to 343 Infirmary.

5. Once we have all of your paperwork, we will begin processing your scholarship to reimburse the cost of the program registration fee. Note, you must be registered for at least 1 credit in the term in which you want to be reimbursed. i.e. If you wait until summer to submit your form and are not registered for classes at UF during the summer term, you will not be reimbursed until fall.

6. As you get closer to your trip, you should begin to receive emails from your specific PITP program coordinator. You will be responsible for arranging your own travel to/from the site, although Dr. Johnson will put you in touch with other UF honors students who are participating if applicable.
Wentworth Travel Scholarship – Partners in the Parks 2018

The UF Honors Program will reimburse program registration costs for UF honors students who are accepted to participate in a Winter / Summer 2018 Partners in the Parks program, provided their participation has been approved by Dr. Melissa Johnson in the Honors Office *prior* to registration. Students must be current undergraduates who will not graduate before August 2018. Scholarship awardees are required to send a summary of their trip to Dr. Johnson within 2 weeks of return.

Name ___________________________________________ UFID ____________________________

E-mail Address ________________________________________________________________

Local Address ___________________________________________________________________

Anticipated Graduation Date ____________________________________________________

Have you participated in PITP before? ___________ If so, when? ________________

Please select the program you have been approved to attend:
