

Course Description  
Read Great Proofs  
IDH 2930  
Section 139G

**Book** Proofs from the BOOK, 5th edition, 2014. The authors are Martin Aigner and Günther Ziegler. The publisher is Springer.

**Instructor** Miklós Bóna, 440 Little Hall, [bona@ufl.edu](mailto:bona@ufl.edu).

**Location** 117 Little Hall.

**Time** Monday, 8th Period.

**What we do** After an initial discussion, each student will be assigned a chapter or section of the book, and will be responsible to represent it to the class at a given time. Time slots will be decided by drawing. Students who draw an early time slot will be given a shorter assignment.

*It is of crucial importance that students attend the first class, since time slot assignments will happen take place then.*

**Evaluation** Students will be evaluated on their presentation, and on their attendance record. If you give a good presentation, and miss no more than two classes, then, and only then, you will get an A.
