If your electronic device or behavior becomes disruptive, you will be asked to leave the class room. *Open laptop computers are allowed in the class ONLY for notes taking and other course related purpose. Any student who is seen texting or with an open laptop computer for purposes unrelated to the course will be asked to leave the class room.*

### In-Class Recording

[http://www.syllabus.ufl.edu/media/syllabusufledu/syllabi\\_policy\\_7\\_28\\_2021.pdf](http://www.syllabus.ufl.edu/media/syllabusufledu/syllabi_policy_7_28_2021.pdf)

### Respect

Treat your fellow classmates and the instructor with respect. During lecture and discussion, side conversations, inappropriate remarks, and other rude activities will not be tolerated.

### Communications

If you have a routine question (such as grade, absence, etc.), contact the instructor via email within the Canvas platform, or meet with the instructor during office hours. ALL communications with the instructor need to be sent via Canvas (and NOT via @ufl.edu).

## COURSE POLICIES

The course adheres to University of Florida's Syllabus Policy which can be accessed at: <http://www.syllabus.ufl.edu/syllabus-policy>.

### Assignments and other Course Work Policy

Students are required to complete all readings, lectures, and assignments provided in the syllabus and course calendars. All written assignments and the course project must be submitted through Canvas on appropriate assignment pages, and are due by 5:00 pm on the dates indicated on the course calendar. There is a six-hour grace period (until 11:00 pm on the due dates) for assignment submissions. All assignment pages will close on the dot at 11:01 pm and students will not be able to submit assignments after that time. **Late assignment submissions, through any other means, will not be accepted.**

- The grace period of six hours (5:00 – 11 pm) is intended to accommodate for any technical difficulties while trying to submit your assignment. If you wait until close to 11:00 pm before attempting to submit your assignment for the first time and experience technical difficulties, you will not be granted additional time as a result. You should attempt to submit by the scheduled due time/date (5:00 pm) and use the grace period to resolve technical issues that may arise, if any. **Do not wait until 11:00 pm to submit assignments as the assignment pages will close sharp at 11:01 pm and assignments will not be accepted after that time, resulting in a zero (0) grade.**
- Extension for assignment submission will be granted ONLY for University of Florida's approved medical and other reasons, and students are required to submit a written request along with necessary documents (such as a doctor's note) to the instructor for approval at least 24 hours prior to the scheduled due date. That is, approval must be obtained via email by 5:00 p.m. the day before an assignment is due. Requirements for assignments and other course work are consistent with university policies that can be found at: <https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/>.
- In the event of an unforeseen emergency (accident, sudden illness, etc.), contact the instructor as soon as possible to request extension to submit assignment. Be proactive and forthcoming. Failure to communicate with the instructor may result in a zero (0) grade.
- Once again, assignments not submitted by their due dates and times will not be accepted resulting in zero (0) grade for such assignments.

### COVID Response

We will have face-to-face instructional sessions to accomplish the student learning objectives of this course. In response to COVID-19, the following practices are in place to maintain your

learning environment, to enhance the safety of our in-classroom interactions, and to further the health and safety of ourselves, our neighbors, and our loved ones.

- If you are not vaccinated, get vaccinated. Vaccines are readily available at no cost and have been demonstrated to be safe and effective against the COVID-19 virus. Visit this link for details on where to get your shot, including options that do not require an appointment: <https://coronavirus.ufhealth.org/vaccinations/vaccine-availability/>. Students who receive the first dose of the vaccine somewhere off-campus and/or outside of Gainesville can still receive their second dose on campus.
- You are expected to wear approved face coverings at all times during class and within buildings even if you are vaccinated. Please continue to follow healthy habits, including best practices like frequent hand washing. Following these practices is our responsibility as Gators.
  - Sanitizing supplies are available in the classroom if you wish to wipe down your desks prior to sitting down and at the end of the class.
  - Hand sanitizing stations will be located in every classroom.
- If you become sick, stay home and self-quarantine. Please visit the UF Health Screen, Test & Protect website about next steps, retake the questionnaire and schedule your test for no sooner than 24 hours after your symptoms began. Please call your primary care provider if you are ill and need immediate care or the UF Student Health Care Center at 352-392-1161 (or email [covid@shcc.ufl.edu](mailto:covid@shcc.ufl.edu)) to be evaluated for testing and to receive further instructions about returning to campus. UF Health Screen, Test & Protect offers guidance when you are sick, have been exposed to someone who has tested positive or have tested positive yourself. Visit the [UF Health Screen, Test & Protect website](#) for more information.
  - Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work.
  - If you are withheld from campus by the Department of Health through Screen, Test & Protect you are not permitted to use any on campus facilities. Students attempting to attend campus activities when withheld from campus will be referred to the Dean of Students Office.

### **Online Course Evaluation Process**

Student assessment of instruction is an important part of efforts to improve teaching and learning. At the end of the semester, students are expected to provide feedback on the quality of instruction in this course using a standard set of university and college criteria. Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals.

Guidance on how to give feedback in a professional and respectful manner is available at: <https://gatorevals.aa.ufl.edu/students/>. Students will be notified when the evaluation period opens

and can complete evaluations through the email they receive from GatorEvals, in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at: <https://gatorevals.aa.ufl.edu/public-results/>.

### **Academic Honesty**

As a student at the University of Florida, you have committed yourself to uphold the Honor Code, which includes the following pledge: “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity.” You are expected to exhibit behavior consistent with this commitment to the UF academic community, and on all work submitted for credit at the University of Florida, the following pledge is either required or implied: "On my honor, I have neither given nor received unauthorized aid in doing this assignment."

It is assumed that you will complete all work independently in each course unless the instructor provides explicit permission for you to collaborate on course tasks (e.g. assignments, papers, quizzes, exams). Furthermore, as part of your obligation to uphold the Honor Code, you should report any condition that facilitates academic misconduct to appropriate personnel. It is your individual responsibility to know and comply with all university policies and procedures regarding academic integrity and the Student Honor Code. Violations of the Honor Code at the University of Florida will not be tolerated. Violations will be reported to the Dean of Students Office for consideration of disciplinary action. For more information regarding the Student Honor Code, please see:

<http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code>, and read The Student Honor and Conduct Codes in *The Orange Book* at: <https://sccr.dso.ufl.edu/policies/student-honor-code-student-conduct-code/>

### **Software Use**

All faculty, staff and students of the university are required and expected to obey the laws and legal agreements governing software use. Failure to do so can lead to monetary damages and/or criminal penalties for the individual violator. Because such violations are also against university policies and rules, disciplinary action will be taken as appropriate.

### **Services for Students with Disabilities**

The Disability Resource Center coordinates the needed accommodations of students with disabilities. This includes registering disabilities, recommending academic accommodations within the classroom, accessing special adaptive computer equipment, providing interpretation services and mediating faculty-student disability related issues. Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the Instructor when requesting accommodation.
