Course Objectives

1. Explore the requirements for various health professions programs
2. Reflect on individual competencies and competitiveness
3. Utilize assignments to build a strong application

Attendance Policy, Class Expectations, and Make-Up Policy

Attendance is mandatory at each class. If you are absent from class due to quarantine/isolation/illness, I will work with you to come up with a plan to make up the work. A doctor's note may be required in some circumstances. Unexcused absences will result in a reduction in overall grade. Please be in attendance on time and ready to work each week. Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies. [Click here to read the university attendance policies.](#)
